Sir,

With reference to the interview I had with you on 31st ult. regarding Sundikeri Seshamtiah's widow & minor sons, you were kind enough to promise me that they should have the house & the village site, as well as wet & dry lands in Hebagahully grama, along with the building sites in Sakleshpur, & wet land at Achengi. All the above I intrust to you & beg that the family be not deprived of these which is the sole means of their livlehood.- I have requested the widow to put in a petition as directed by you for a scholarship for the two young sons education - The non education of these two Brahmin boys would be their ruin

I have the honor to be. Sir
Your most obedient Servant

Draft ruled. It is respectfully submitted that under existing & present orders & practice will not have been reached in regard to the closing of this members acct & unless some time limit is fixed to the enjoyment of the properties now allotted for the maintenance of the family. Say during the life time of the widow & the attainment of 21 years of age by her youngest child of the properties themselves entirely freed from encumbrance to be given over to the family in absolute enjoyment at a time when it may have become time barred to be proceeded against by creditors & the rest of the amounts now remaining due written off the accts. Claim, some properties are in the occupancy of the family, there is nothing to prevent other bona fide creditors from proceeding against them. The fact in satisfaction of their claim comes to have to the whole of the debtor's property and it is only an act of clemency that they have allowed some properties to remain with the family for their maintenance. The first however puts up their right to any balance that may be still outstanding and so these properties will remain subject to their lien. So long as anything is due by the debtor the Comptroller will have to retain this name on his books and keep regular accounts. There can be no finality, nor was it, it is submitted, intended. It is not possible to fix any time limit or so arrange, as to prevent other bona fide creditors from having their just claims satisfied. The Bill may therefore be allowed

COMMISSIONER MYSORE

(26)

Hassan
Dated 16th February 1910

My dear Sir,

With reference to your D.O. letter No: 71. 1414 dated 28th August 1909 regarding the provision necessary for the maintenance of the family of the late Mr. S. Srikantiah, I beg to state that the properties mentioned in your D.O. letter are included in the schedule of the various properties owned by the late Mr. S. Srikantiah and hypothecated to the late Agri-cultural Bank at Sakleapur and were in his possession and

and enjoyment up to the time of his death and subsequently in the possession and enjoyment of his family.

2. The Sundekera Coffee Estate was taken under Government management after Mr. S. Srikantiah's death in accordance with the Government order conveyed in Proceedings No: Fl 2663-5/B11-08-7 dated 11th December 1908, and the same was sold by public auction as reported to Government in my letter No: 1/Ag/13 dated 7th July 1909, the sale of which was confirmed by Government as intimated in General and Revenue Secretary's No: Fl 818/B11-08 dated 31st July 1909. The remaining properties were left unsold for the maintenance of

of the family as approved by Government in Proceedings No: H. 4443-4/B. 11-08 dated 2nd April 1909.

3. With regard to the application addressed to Government on behalf of the family praying that the house on the village-site as well as the wet and dry lands in Kelagalalé Grama along with the building sites in Sakleshpur and wet lands at Achangi, may be left to the family for their maintenance, I am of opinion that it is not desirable or in the interests of the family to release these properties from hypothecation to the Government loan, as if such be ordered, the other creditors of the deceased Mr. S. Sreekantiah and his family would

would be sure to proceed against these properties, which in such case would be lost to Government as well as to the family.

4. I therefore recommend that these properties may continue under the existing hypothecation, and the family merely permitted to continue to enjoy the proceeds of the wet and dry lands for maintenance provided that the land remains and the vacant-site taxes are paid by the family each year without fail, as well as any arrears which may be now outstanding against the same.

5. I regret that the above quoted D.O. letter was not earlier replied to owing to the matter having escaped my recollection.

Yours Sincerely.

P. N. Krishnamurti

while recommending the allotment of the above properties for the maintenance of the Sreekantiahs' family is of opinion that it is undesirable, or in the interest of the family to release them from the hypothecation to the Govt under ~~as aforesaid~~ ~~they will become liable to attachment by the other creditors of the Sreekantiahs~~ & proposes that the existing arrangement should continue & the family merely permitted to enjoy the proceeds of the lands subject to the due payment of taxes each year as well as any arrears which may now be outstanding against the same.
